

SASOL: Bursary Programme 2015

What does a Sasol bursary include?

The Sasol bursary is a comprehensive bursary which includes the following:

- 100% of the prescribed university tuition fees, registration fees and exam fees.
- An amount equal to the average rate for accommodation in a single room at a university hostel at the university at which the Sasol bursar is studying. This rate is determined by sasol in conjunction with the university.
- An amount for meals based on three meals per day, as determined by the university.
- An amount of approximately R800,00 per annum, towards book and pocket money.

Note:

- Prescribed tuition fees, registration fees and exam fees are paid directly to the university.
- Students will be required to pay for any repeat subjects.
- Monies for accommodation are paid directly to the university if the student is staying in university-administered accommodation.
- In cases where the student elects to stay in non-university administered accommodation, monies in lieu of accommodation and meals will be paid directly to the individual. In such instances, the amounts will be limited to that prescribed in points 2 and 3 above.
- Book and pocket money will be paid directly to the individual.
- Payments in respect of the above are made twice a year. The first payment is made at the beginning of the first semester, and

the second payment is made at the beginning of the second semester.

- Full details of the payment process and the requirements which must be met are communicated to successful applicants once a bursary has been awarded.
- Successful applicants will be bound contractually to work at Sasol after graduation for a period equal to the tenure of the bursary.

The Sasol Bursary Scheme offers bursaries on the basis of a service-binding contract after graduation for a period equal to the tenure of the bursary. Applications may be submitted for one of the following fields of study:

B Eng or BSc Engineering

Chemical

Mechanical

Electrical

Civil

Industrial

Electronic

Mining

Computer

Mechatronics

B Sc

Chemistry (Masters compulsory)

Geology (Hons compulsory)

Metallurgy (Hons compulsory)

B Com

Logistics (Hons compulsory)

Informatics (Hons compulsory)

Procurement & Supply (Hons compulsory)

Law

Accounting/ BBscience CA Stream (CTA, PGDA compulsory)

University of Technology

If you have passed or are currently busy with Grade 12/N3 Maths, Physical Science and English, you can apply for a University of Technology bursary.

These bursaries are awarded in Mechanical Engineering, Power (Electrical Engineering and Process Instrumentation).

For more information on a University of Technology bursary, contact 0860 106 235.

Note:

No bursaries are awarded for fields of study not listed above. Bursaries are not always awarded in each field of study every year. Applicants should submit an application based on a real interest in the field. Applicant should be a South African Resident.
